Employers Liability

We offer cover up to £25m indemnity limit on employers liability, either on a stand alone basis or in conjunction with a client's public liability. Both conventional and non-conventional policies (i.e. aggregate excess and minimum/maximum arrangements) are offered. Our standard policy wording includes health and safety at work act defence costs, compensation for court attendance and a wide definition of persons employed.

Public Products Liability

We offer primary public & products liability limits of up to £5m. Our policy wording includes health and safety at work act defence costs, compensation for court attendance, defective premise act, data protection, consumer protection and worldwide jurisdiction (on application).

We will consider most commercial and industrial risks. Excess public & products liability limits up to £5m are available provided we do not underwrite the underlying policy. Wider covers such as financial loss and product guarantee are also considered.

Biography:

Tim began work in the insurance industry in 1975. He came to Amlin from the company market where he spent most of his career in commercial insurances.

Prior to Amlin, Tim spent 13 years as a liability underwriter. During this time he also obtained experience of the casualty business having spent time working in commercial property, commercial marketing and claims.
