

Name: Howard Burnell

Company / Syndicate: Amlin plc / Syndicate 2001

Lloyd's location: Box No. 062 at Lloyd's, Ground Floor

Book of Business: **Marine and Energy Liability**

Amlin's Liability book covers marine and energy liability. These accounts include:

- Marine - ship owners (Protection & Indemnity); Charterers; Port and Terminal and Shipyard operators.
- Energy – a diverse portfolio of oil and gas risks associated with world wide exploration and production companies; drilling contractors, construction risks, pipelines and fixed platforms and mobile units.

In addition, we will consider insuring unusual risks including marine contractual liability; pollution risks and other liability risks associated with the above operations.

Biography: Howard began his career as a broker with Stewart Wrightson where he worked across all areas of the marine business before becoming the Marine Liability Director at Willis Faber in 1987.

Howard joined Amlin syndicate 902 in 1998 and is now the Senior Class Underwriter for Amlin's marine and energy liability account.
